**You Can Attain True Happiness —
Evening Gathering & Dharma Discussion**

Happiness is something we all seek, but how easy is it to attain? Actually, it's easier than you think. If your hectic modern life doesn't give you the time or ability for simple joy, why not try something that has worked for thousands of years? Hazlitt can help you learn a few easy-to-use tools that make it easier to understand, experience and realize your true happiness in the present moment.

Dharma is your positive, beneficial thinking. Studying, contemplating and meditating upon the teachings of the Buddha enable you to develop more beneficial thinking patterns. Reducing negative, harmful thinking is the first step to increasing your happiness. Your beneficial thinking assists everyone including yourself. Because none of us is an island.
